

**Academic discipline:
"Social Psychology"**

Code and name of specialty	6-05-0113-01 Historical Education
Training course	1
Semester of training	1
Number of class hours:	54
Lectures	28
Seminar classes	26
Practical classes	-
Laboratory classes	-
The form of intermediate certification (credit/differential credit/exam)	exam
Number of credits	3
Competencies to be formed	Work in a team, tolerate social, ethnic, religious, cultural and other differences; carry out effective interaction with participants in the educational process based on the norms of pedagogical ethics

Summary of the content of the academic discipline:

The structure of the academic discipline "Social Psychology" is presented in the following sections: "Introduction to Social Psychology", "Social Psychology of Personality", "Interpersonal Communication and Interpersonal Relations", "Group Psychology", "Social Behavior". The first section allows you to get acquainted with the subject, purpose, tasks and methods of social psychology, the main stages of its development as a science. The second section includes consideration of the problem of personality in the social world; connections between behavior and motivation and social attitudes of the individual. The third section is devoted to the consideration of various aspects of interpersonal communication and interpersonal relationships; familiarization with the concept of conflict, its structure, dynamics and strategies of individual behavior in a conflict situation. The fourth section examines the socio-psychological characteristics of a social group, group phenomena and processes, as well as patterns of individual behavior in a group. The fifth section allows you to get acquainted with various types of human social behavior.
