<p>Summary of the content of the academic discipline:</p> <p>The academic discipline "Harmony and Polyphony" provides a basis for professional perception and analysis of music, which are indispensable for a variety of creative musical activities of future music teachers. Touching upon a wide spectrum of musical phenomena, harmony and polyphony classes enrich students' outlook in the world of musical art. Being practically-oriented, they develop musical thinking, harmonic, polyphonic, as well as inner ear and are aimed at developing specific technical skills necessary for harmonizing melodies, analysing musical works, perception of musical genres, styles and trends.</p>
