<b>Summary of the content of the academic discipline:</b>	
<p>The structure of the training course "Foreign language" includes two consecutive modules. The first is the module of social communication, which allows to deepen and systematize the grammatical, lexical, communication skills of students, to communicate communication models corresponding to various everyday situations. The second part of the training course - the module of professional communication - considers professional communicative situations, professional and specialized vocabulary, as well as the specifics of its application.</p>
